

together we all win

2026 SPONSORSHIP PACKET

SUNDAY, NOV 8, 2026 · 2:30-4:30 PM

170 Scharberry Ln, Mars, PA 16046

Dear Community Members,

I'm reaching out on behalf of Connected Nest, a Pennsylvania 501(c)(3) supporting families "on the journey to, through, and beyond parenthood." On **Sunday, November 8, 2026 (2:30–4:30 PM)**, we're hosting Family Fest at 170 Scharberry Lane, Mars, PA. It's an annual community event with game-show-inspired fun, hands-on activities, and local resource connections for families.

Family Fest is both a celebration and a supportive event: while kids play and parents connect with local resources, the fundraiser sustains our year-round programs, including infertility support, mom & baby (postpartum) groups, parenting workshops and NICU outreach. We're expecting **100+ families** and **20+ local businesses and resources** to participate, and we'll raise funds for **100+ care bags for local NICU parents**.

We'd be honored to partner with you through a donation or sponsorship. Your support will directly strengthen mental-health-informed peer support for families across our region.

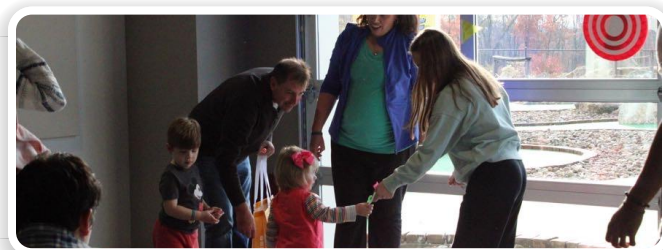

Sponsors benefit from increased visibility, with the choice of a table or connection spot at the event, signage, or including your materials in our event tote bags. If you'd like recognition on signage and at the event, please send your commitment and logo to **theteam@connectednest.org** by **October 25, 2026**.

Thank you for investing in a more connected, caring community for parents and kids. We'd love to talk about a partnership that fits your goals.

With gratitude,

Megan Miller Shane

Executive Director, Connected Nest

a connected family changes everything

Build Stronger Families. Create Lasting Connections.

Family Fest brings families, neighbors, businesses, and community partners together to celebrate childhood, strengthen relationships, and make sure no parent navigates infertility, new parenthood, or parenting shifts alone.

Research continues to show that isolation is one of the greatest threats to parent and family well-being, and meaningful relationships are one of the strongest protective factors for mental health, resilience, and healthy child development. Family Fest creates those moments of connection while raising funds that keep Connected Nest's programs accessible all year.

100+
